

SIDE 3

ELIJAH: What? I'm hungry. And I like to eat at set times.

(RAVEN gestures at the food concession stand, "Hello?")

ELIJAH: I can't do that, that's stealing!

RAVEN: Oh my god, are you serious right now?

RAVEN: Wow. You really really have a hard time defying authority, don't you?

ELIJAH: I just don't know what I want, okay!

RAVEN: Don't think, just grab. Eat what you want. Stuff your face. You don't have time for indecision! This is about survival! What! Do! You! Elijah! Want!

ELIJAH: I want—popcorn!

RAVEN: Good! *(RAVEN shovels some popcorn into a container and puts it on the counter.)*

RAVEN: What else!

ELIJAH: And, and...maybe something sweet! Like...M&Ms or Reese's Pieces or... Swedish Fish! *(RAVEN grabs all the candy, rips all the containers open, dumps them into the popcorn, shakes it up.)*

ELIJAH: Whoa, whoa, whoa. What are you doing? Are you mixing everything? Isn't the candy just going to drop to the bottom? This is crazy—

RAVEN: It's all going to the same place, live a little!

(RAVEN takes a handful, shoves it into her mouth. He follows suit. They chew.)

ELIJAH: ...This is good.

RAVEN: Yep.

ELIJAH: *(beat)* I'm glad I stayed.

RAVEN: You didn't have much of a choice. But me too. It beats being alone.

RAVEN: Is that the real time...?

ELIJAH: I think so, yeah.

RAVEN: *(She starts to breath heavily)* ...Is the room moving or something?

ELIJAH: No?

RAVEN: It's hard to, I feel a little— I feel a little light-headed... No, please not now.

ELIJAH: Raven?

RAVEN: Not now, not now. Augh, I hate this— Feeling. Everything feels so...

ELIJAH: What's going on?

RAVEN: Overwhelming and...And pointless... I can't...

ELIJAH: Hey, hey hey, are you okay? You'll be okay. That's right, just keep breathing. In, out. In, out.

Where's your phone? Maybe, let's uh, Let's watch the thing you were watching before. Maybe it'll help a little, take your mind off of everything.

RAVEN: How much time do we have left until

ELIJAH: It doesn't matter. We should watch something, take our minds off everything It'll be okay, alright? I promise.

(ELIJAH finds her phone, frantically looks up the clip, plays it. They lean on the counter, They begin to watch.)

ELIJAH: ...This is...some weird shit.

RAVEN: *(RAVEN laughs a little, nodding.)* So weird.

ELIJAH: Perfectly weird.

RAVEN: Perfectly absurd. I told you.
