

KYLE:

I think we got off on the wrong foot here. I'm not an asshole. For real. Listen to me, I don't know why she's pitchin' this fit in front of everybody but...

OK, I hunt. She's never had a problem with it before. And I know it's not technically legal but those deer are in my backyard dammit so it's more like lawn mowing and people don't need permission for that. And people - like - do stuff other people don't like. Like couples. That's how relationships work, goddammit, and you don't have to duct tape 'em to a damn chair! And I swear I don't know who that other one is. Who is that?!

You don't believe me. I can tell you're sittin' there thinkin' she might be right about me. That I just might deserve...

Shit. Shitshitshit -

I'll be straight with y'all - I don't know how this is gonna end. I really don't. She doesn't ever get mad, and she sure don't "act it all out" (which I'm not sure what that's about). The point is I don't know what the hell is going on and what the hell I did to make whatever is going on, going on.

I'm trying to say that she's lost it - And we're not safe - And I don't deserve this! Who deserves this!? THERE ARE BEARS OUT THERE - Please lord Jesus help me - she might actually kill me and I'm really hungry and my head hurts like a bitch and - JESUSLORD come on help me - y'all know this is crazy pleasegodpleasegodPLEASE.
